COMMUNICATION

Sir:

This paper is submitted to explain the apparent discrepancy between the named inventor Chandra Patterson on the PCT Transmittal and the current Declaration for the U.S. National Phase application.

Applicant/Inventor Chandra Patterson was her correct name at the time the PCT application was filed. Since then, she has married and changed her name to Chandra Arvizu. Since the latter was her name at the time she executed the Declaration, she properly signed using that name. See the attached Declaration regarding her change of name.

Applicants believe that no fee is due with this communication. However, if the Commissioner determines that additional fees are due or that an excess fee has been paid, the Commissioner is authorized to debit or credit (respectively) Deposit Account No. 09-0108.

Respectfully submitted,
